Subject: Falcon Refinery: Last Letter to Richard Bergner about Replenishment of the Accounts

Jonathan:

This is a followup to my email to you last night. Here is a copy of the letter sent to Mr. Bergner about replenishment of the EPA RIFS account(s) set up for the site. This (These) account(s) is (are) used by EPA relative to work that is done in dealing with the RIFS. It is our understanding that Lazarus would be replenishing these accounts as part of the purchase of the property. Here is the letter that was issued to Bergner.
